

## SPANISH BIBLE MINISTRY NEWSLETTER - JUNE 2017

Greetings to all of our friends as you prepare for the warm summer and all the abundance of God's provisions. Spanish Bible Ministry is preparing for this winter in many ways. Basic plans are in the process as we prepare to attend Pastor Retreats in Central Mexico in October and possibly going further to the west in the mountainous areas in November and January. These visits will allow the ministry to provide some Bibles to pastors of churches that will never have the funds to purchase them.

We are pleased that In-Touch Ministries and a Christian Reformed church from Strathroy have provided Christian training materials that will assist those pastors to share Jesus' Love to their congregations. Two individuals from Ohio have donated 50,000 Christian tracts which will also be distributed. Canadian Bible

Society is working alongside of Spanish Bible Ministry to provide the Bibles whenever and wherever they are needed.

In Ontario, some local Christians have Migrant Farm Worker programs for the many thousands

that are in our province. They work here for short periods of time then return to their homes and countries. Recently two rallies were held in London at which time over 15,000 workers were introduced to our Lord and Saviour Jesus Christ. Pastor Mario Vaquedano was able to give out Spanish Bibles to those

workers when returning home. A mission group going to Central America and another group doing evangelism in Cuba have been able to use the Spanish Bibles. This is happening because of caring Christians in Canada and United States like yourselves. Future plans may involve placing Bibles in the hands of the Aymara and Quechua people in Bolivia.

The donations sent in by faithful Christians helps to eliminate some of the scarcity of Bibles throughout these areas. A price of \$9.00 a Bible in Mexico was quoted to us and this is out of reach for most of the people. There are constant roadblocks as Satan does not want Bibles distributed. However, God always overcomes these obstacles that seem to be put in our way. The Bible tells us worldly things will decay and die but God's Word lives on forever. [Isaiah 40:8](#)
