

# SPANISH BIBLE MINISTRY

## September 2017 Newsletter

Hello from the Spanish Bible Ministry. With Autumn in the air, leaves turning, birds flocking south, our thoughts turn to Bible Distribution this winter. Amidst the turmoil and greed of world leaders, it is even more crucial that people hear about God's plan of redemption.

The summer time was filled with preparations and ministry both in Ontario and throughout areas in need. It involved distribution of Bibles and tracts, food deliveries to soup kitchens, collection of wheelchairs for those with disabilities in Mexico and assembling discipleship materials. Meetings were also held with other mission organizations as we kept our minds open to the leading of the Holy Spirit.

October and November will involve plans to attend conferences with pastors and church leaders to provide Bibles from the Canadian Bible Society and resources from In-Touch Ministries. We want to encourage pastors as they work to build their congregations in many remote areas. The Word of God will not return to Him void.

You, the donors are partners with us in this work. Being a partner donor with Spanish Bible Ministry means that the influence of God's Word goes to Canada, United States, Mexico, Dominican Republic and many other Central America countries by providing all types of Christian materials.

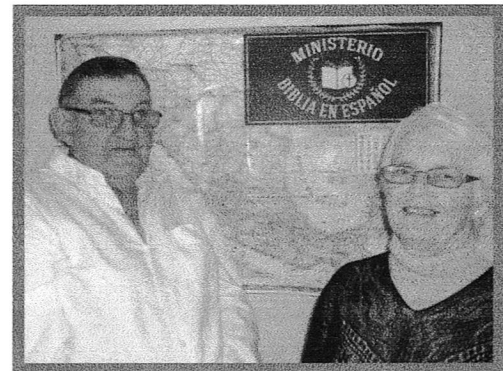

As Ruth and I prepare to leave, we ask for your prayers that the Holy Spirit will guide and direct our paths and for our safety crossing borders and travelling in unknown areas.

If you wish to join us as a donor, do so in the following ways so you can receive a charitable tax receipt.
