GO! in T.O.

Youth Leadership Adventure CAMP

*Safety Protocols
Practiced*

July 3-7, 2023

THE REACH

Monday

“Look around”

Our adventure starts at **The Reach** – 1666 Kingston Rd. Birchcliff. We learn more about each other and get our bearings. We then travel east to the **prettiest garden park in T.O.**, south to **Lake Ontario**, west through Birchcliff and north pursuing our daily challenge, enjoying exercise & leisure. We wind up our day getting primed for our week.

Wednesday

“Listen carefully!”

By TTC, we journey to **Casa Loma, Spadina Museum & George Brown College** pursuing a “*Knowledge Quest & Beauty project*”- identifying objects of impact to life, then present what we contemplated, as our day concludes.

Tuesday

“Smell fresh air”

The Beach! We take a deep breath to enjoy kayaking, sunbathing, sailing, swimming – appreciating the power of time, talent & relationships in our world. We consider what is around us – perhaps building a sandcastle, sand condo & enjoying the waters edge - as comfort zone allows.

Thursday

“Taste life’s fullness”

We trek downtown through **Yonge Dundas Square to Little Canada**, onto **Mackenzie House**, then meander through **Metropolitan University** to reflect on the major forces of our future. Snacking on the way. We ask deeper questions about the cultural forces at **Toronto City Hall**.

Friday

“Feel the joy”

Ahhh... our week concludes with a ‘scavenger search’ across the breadth of the classic **Beach Community**. During our board-walk, we pause to consider the deep truths of life with Toronto’s cityscape as backdrop, as we summarize our week.
